Sidney J. Winawer, MD

Provided by Albert Einstein College of Medicine and Montefiore

This program is devoted to current issues and controversies in gastroenterology and hepatology. Each presentation is designed to update practicing gastroenterologists, hepatologists, surgeons and internists on important and challenging areas of this complex and ever-changing field of medicine.

Topics will cover:

- Approach to Pancreatic Cysts: Before, During, and After Endoscopy
- Screening for Colorectal Cancer in 2017
- How to Evaluate Hepatic Fibrosis: Scan or Serology?
- Demystifying the Serrated Polyp and Post-Polypectomy Surveillance
- Approach to Dysphagia in 2017
- Traveler's Diarrhea: Whither Thou Goest
- Lack of Response to PPI: What to Do Next?
- Fatty Liver: Is What's Good for the Goose Good for the Gander?

Intended Audience

Practicing gastroenterologists, internists, hepatologists, physician assistants, nurse practitioners, GI fellows, residents and CRNAs

Accreditation

Albert Einstein College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

Albert Einstein College of Medicine designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
