Gastrointestinal Motility Seminar
Tuesday, September 29, 2015
6:00 pm – 9:00 pm

Icahn Building at Mount Sinai
Goldwurm Auditorium
1425 Madison Avenue (at 98th Street)
New York, NY 10029

PROGRAM DESCRIPTION
Gastrointestinal motility and functional disorders are quite common in practice and can be extremely challenging to manage. New diagnostic tests and therapies have been developed to enhance the treatment of gastrointestinal motility disorders. This seminar will review clinical cases and incorporate current diagnostic testing available within the various therapies.

LEARNING OBJECTIVES:
1. Describe applications for esophageal manometry, pH testing, anorectal manometry and wireless motility testing.
2. Discuss clinical cases in the workup of dysphagia, gastroesophageal reflux disease (GERD), constipation, pelvic floor dyssynergia and fecal incontinence.
3. Assess the utility of biofeedback in treating pelvic floor dyssynergia and fecal incontinence.
4. Recognize indications for anti-reflux surgery and related endoscopic therapies.

INTENDED AUDIENCE: Gastroenterologists, primary care physicians, GI fellows, medical residents, and GI nurses and associates.

PROGRAM AGENDA
6:00 pm – 7:00 pm
Refreshments and Registration

7:00 pm - 7:20 pm
Esophageal Motility Disorders: A Focus on Management
Abraham Khan, MD

7:20 pm - 7:40 pm
Reflux Testing and Endoscopic Anti-Reflux Therapies
Gina Sam, MD, MPH

7:40 pm – 8:00 pm
Wireless Motility Testing
Bani Roland, MD

8:00 pm – 8:45 pm
Pelvic Floor Dyssynergia and Biofeedback and
The Workup and Management of Fecal Incontinence
Satish Rao, MD, PhD

8:45 pm - 9:00 pm
Question and Answer Session
Panel Discussion
CME CREDIT: CME credit is restricted to NYSGE members only. To join or renew, visit www.nysge.org. Membership is complimentary for fellows, but an application is required.

REGISTRATION: Registration is complimentary as a benefit of membership in NYSGE. However, online pre-registration is requested. To register, visit www.nysge.org and click on the program title under Upcoming Events. Members must login before registering. Non-members are welcome to attend up to two seminars per year. Non-members must create a user account before registering, or must log into a previously created account. Instructions are on the website. Contact info@nysge.org for assistance.

FACULTY AND COURSE DIRECTORS
Abraham Khan, MD, Course Director
Assistant Professor of Medicine
Associate Director, Center for Esophageal Disease
NYU Langone Medical Center
New York, NY

Satish Rao, MD, PhD
Professor of Medicine
Director, Digestive Disease Center
Georgia Regents University
Augusta, GA

Bani Roland, MD
Assistant Professor of Medicine
Director, Center for Motility and Neurogastroenterology
Columbia University Medical Center
New York, NY

Gina Sam, MD, MPH, Course Director
Assistant Professor of Medicine
Director, Mount Sinai Gastrointestinal Motility Center
Icahn School of Medicine at Mount Sinai
New York, NY

ACCREDITATION STATEMENT
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Mount Sinai Beth Israel and the New York Society for Gastrointestinal Endoscopy. The Mount Sinai Health System Hospitals: Mount Sinai Beth Israel, Mount Sinai St. Luke's and Mount Sinai Roosevelt, are accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION
Mount Sinai Beth Israel designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

POLICY ON FACULTY AND PROVIDER DISCLOSURE
It is the policy of Mount Sinai Health System Hospitals: Mount Sinai Beth Israel, Mount Sinai St. Luke’s and Mount Sinai Roosevelt, that faculty and providers disclose real or apparent conflicts of interest relating to the topics of this educational activity and have established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made in the activity handout materials.
