ANNUAL NEW YORK COURSE
DORIS C. BARNIE GI NURSES AND ASSOCIATES COURSE
ANNUAL NEW YORK GI FELLOWS ENDOSCOPY COURSE

COVID-19 Safety Protocols
NYSGE is committed to hosting the 45th Annual New York Course in a safe and responsible manner for all participants, exhibitors, and hotel employees.

The New York Marriott Marquis is complying with current guidelines and executive orders of the Mayor of New York requiring vaccination for all customers, employees and vendors for indoor dining at restaurants, bars, catering/event facilities and any other indoor sit-down dining options.

NYSGE is requiring COVID-19 vaccination for attendees and exhibitors. These groups have been asked to attest to their vaccination status upon registration and proof of vaccination may be required on site.

As another precaution, NYSGE is requiring masking for all participants, exhibitors, and hotel employees.

While we are excited to bring New York’s GI community together again for the 45th Annual New York Course, your health and safety will always remain our top priority.

Intended Audience
Practicing Gastroenterologists, Gastrointestinal Endoscopists, Surgeons, GI Fellows, Physician Assistants, Nurse Practitioners and GI Nurses and Associates

Course Description
Under the direction of expert faculty, this course is designed to improve endoscopic practice and change the learner’s approach to a wide range of disorders of the GI tract. The course content will provide current evidence and algorithms to support an efficient but effective evaluation of GI disorders, followed by prompt initiation of appropriate therapy that is directed toward improving patient care and outcomes.

The knowledge base for gastrointestinal endoscopy continues to expand, accompanied and fueled by rapid growth in technological innovations. Advances in therapeutic endoscopy are challenging or replacing techniques that before were purely diagnostic. While maintaining standards of quality and safety, gastroenterologists must understand and effectively apply current and emerging diagnostic and treatment options in order to elevate practice levels and enhance patient outcomes.

This course will help participants improve their ability to accurately diagnose and effectively treat gastrointestinal diseases and disorders, enhance quality and safety in practice settings, recognize trends and technological advances in interventional endoscopic and surgical procedures, and foster an evidence-based approach to endoscopic decision-making for commonly encountered and controversial problems in gastroenterology.

Learning Objectives
- Identify appropriate methods to detect and treat common disorders of the small bowel, colon and pancreas, as well as endobariatric therapy for obesity, and review the effectiveness of these approaches
- Discuss the spectrum of commonly seen disorders of the esophagus and stomach, such as gastroesophageal reflux disease, Barrett’s esophagus, motility disorders and gastric intestinal metaplasia, and outline related treatment options and their effectiveness
- Discuss the management of nonalcoholic fatty liver disease and evaluate the efficacy and safety of current treatments
- Evaluate advances in the methods of assessing disease status in patients with inflammatory bowel disease and discuss the application of these techniques to patient treatment
- Examine the diagnostic and therapeutic capabilities as well as complications of current and emerging advanced endoscopic techniques to diagnose and treat disorders of the hepatobiliary tract, pancreas, and luminal gastrointestinal tract and to detect and manage obscure upper and lower GI bleeding
- Discuss the gastrointestinal manifestations of the novel coronavirus disease (COVID-19) and examine the impact of the COVID-19 pandemic on endoscopy practice

Joint Providership
This activity is jointly provided by the Albert Einstein College of Medicine-Montefiore Medical Center and the New York Society for Gastrointestinal Endoscopy.

Accreditation Statement
In support of improving patient care, Albert Einstein College of Medicine-Montefiore Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation
Albert Einstein College of Medicine-Montefiore Medical Center designates this live activity for a maximum of 14.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification (MOC) Statement
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 14.0 Medical Knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
Course Evaluation and CME/CE Certificates

Course evaluations must be completed online by February 28, 2022. After completing the overall and session evaluations, a Certificate of Credit can be downloaded or emailed.

For those who pre-registered, a username, password, and link to the evaluation website was sent in an email from Express Evaluations. Those registering the week of the Annual Course will receive this email during the course.

Sessions may be evaluated starting on the first day. Complete the evaluation and download your certificate preferably within three days of the course, but no later than February 28, 2022. Please contact info@nysge.org for assistance.

How to Claim CME, MOC and CNE Credit

Username: is a 3 to 5-digit number also called “memberID” in your NYSGE web profile
Password: nysge

How to Access the Evaluation Website Option 1
Find the email from Express Evaluations (check Spam); it contains:
1) Link to the Evaluation Website
2) Your username and password as noted above

How to Access the Evaluation Website Option 2
Go to www.nysge.org
1) Hover over “Learning Resources”
2) Choose Claiming CME for NYSGE Programs from the drop-down menu
3) Click the Evaluation Website button

Important: You must complete the evaluation and request a CME certificate before you will be able to request MOC points

How to Access the Online Syllabus
Go to www.nysge.org
1) Hover over “Learning Resources”
2) Choose Annual New York Course Presentations from the drop-down menu

ABIM MOC Points
To obtain ABIM MOC points you must first complete the evaluation and claim CME credits. Only then will the MOC option be displayed. You will be asked to reflect on and summarize what you learned and indicate what you will do differently, stop doing, or continue doing in your practice more confidently regarding the course learning objectives.

A minimum of 2-3 sentences is required for an acceptable submission. All responses are reviewed. Awarded MOC points will be removed if responses do not meet the passing standard. NYSGE can submit your MOC points directly to ACCME. However, you must provide your 6-digit ABIM ID number when submitting your reflective statements.

Please allow 2-3 business days for MOC credit to appear on your ABIM account. If there is a problem with the submission, follow the instructions in the prompt to re-submit or contact NYSGE at info@nysge.org for assistance.

MOC will be available only through February 28, 2022. However, for MOC points to count toward 2021 requirements, ABIM Board Certified physicians must complete MOC requests by December 31, 2021.

Learning Outcomes for Nurse Participants
After this program, participants will be able to review the pathophysiology of GI diseases, evaluate current advances in diagnostic and therapeutic endoscopy, and identify evidence-based best practices for novel medical, endoscopic, surgical and nursing approaches to the management of digestive diseases.

Nursing Accreditation Statement
This nursing continuing professional development activity was approved by Montana Nurses Association, an accredited approver with distinction by the American Nurses Credentialing Center’s Commission on Accreditation. A maximum of 14 total contact hours will be available for the sessions within the 45th Annual New York Course – Endoscopy 2021: Back to the Future program and the Doris C. Barnie GI Nurses and Associates Course program. A certificate of completion will be available based on session attendance after submission of the online evaluation form. For more information, please email NYSGE at info@nysge.org.

Certification Board for Sterile Processing and Distribution
This educational activity has been submitted to the Certification Board for Sterile Processing and Distribution, Inc. (CBSPD) for continuing education credit toward maintenance of certification.

Photography and Recording Waiver
NYSGE may take photographs and audio record or video record all or part of this program to use in educational, informational or promotional materials including print, electronic or other media such as the NYSGE website. By participating in this program, you grant NYSGE the right to use your name and photograph for such purposes and to use your remarks should this program offer live or online submission of questions. All such recorded live or online submissions become the property of NYSGE.
6:30 – 7:30 am  
Registration  
Continental Breakfast – Served in the Exhibit Hall  
Elevator Lobby, 5th Floor

Welcome!  
7:25 – 7:30 am  
NYSGE President: David L. Carr-Locke, MD  
Westside Ballroom 1&2

Course Directors: Petros C. Benias, MD; David A. Greenwald, MD; SriHari Mahadev, MD, MS; Sonal Kumar, MD, MPH

Session 1: Upper GI Pre-Malignant Conditions  
7:30 – 8:45 am  
Michelle Kang Kim, MD, PhD, Moderator  
Advances in Detection and Surveillance of Barrett’s Esophagus  
Julian A. Abrams, MD  
The Cutting Edge of Managing Barrett’s Dysplasia  
Arvind Trindade, MD  
Rethinking Gastric Intestinal Metaplasia  
Satish Nagula, MD  
Gastric Dysplasia and Early Gastric Cancer: Where Are We Now?  
Amrita Sethi, MD, MSc  
Panel Discussion and Q & A

Richard S. McCray, MD Lecture  
8:45 – 9:00 am  
Introduction by Gil I. Ascunce, MD  
Lawrence J. Brandt, MD

Session 2: Disorders of Foregut Motility  
9:00 – 10:00 am  
Michael S. Smith, MD, MBA, Moderator  
What’s New in GERD and Anti-Reflux Therapies  
Philip O. Katz, MD  
Not Too Tight, Not Too Loose: Tackling GERD after POEM  
Stavros N. Stavropoulos, MD  
Therapies for Gastroparesis: The Bloated Truth  
Petros C. Benias, MD  
Panel Discussion and Q & A

Break  
10:00 – 10:30 am  
Break - Served in the Exhibit Hall

NYSGE President’s Lecture  
10:30 – 10:50 am  
Introduction by Amrita Sethi, MD, MSc  
The Artistry of Experts  
David L. Carr-Locke, MD

Session 3: Lower GI Pre-Malignant Conditions  
10:50 – 11:45 am  
Felice Schnoll-Sussman, MD, Moderator  
Update on Hereditary Colon Cancer Syndromes  
Robin B. Mendelsohn, MD  
Advances in Polyp Detection and Classification  
Seth A. Gross, MD  
By All Means Necessary: Strategizing Complex Polypectomy  
SriHari Mahadev, MD, MS  
Case Presentation  
Felice Schnoll-Sussman, MD  
Panel Discussion and Q & A

Jerome D. Waye, MD Lecture  
11:45 – 12:00 pm  
Introduction by Jean W. Saleh, MD  
The Impact of COVID-19 on Training, Endoscopic Volume, and Colorectal Cancer Screening  
Mark B. Pochapin, MD

12:00 – 12:10 pm  
Stretch Break

Lunch Break  
12:10 – 1:00 pm  
Lunch Programs*  
1 - The Value of Artificial Intelligence in Colonoscopy  
Sravanthi Parasa, MD  
Westside Ballroom 1&2

2 - The Next Evolution in GI Defect Closure  
Andrew C. Storm, MD and Lionel D’Souza, MD  
Empire Complex, 7th Floor

1:00 – 1:30 pm  
Break - Visit the Exhibits

Break  
10:00 – 10:30 am  
Break - Served in the Exhibit Hall

45th Annual New York Course  
Endoscopy 2021: Back to the Future  
THURSDAY, DECEMBER 16, 2021
Live Endoscopy Case Presentations Session 1
1:30 – 2:20 pm  David A. Greenwald, MD and Gregory B. Haber, MD
Panel Discussion
Nikhil A. Kumta, MD, MS; Patrick I. Okolo III, MD, MPH; Amrita Sethi, MD, MSc; Julie Yang, MD

WEO President’s Lecture
2:20 – 2:35 pm  Introduction by David L. Carr-Locke, MD
Quality Metrics in Upper GI Endoscopy: Reality or Fiction?
Fabian Emura, MD, PhD

Session 4: Emergency Situations
2:35 – 3:45 pm  Patrick I. Okolo III, MD, MPH, Moderator
Make It Stop! What’s New in GI Bleeding
Melissa Latorre, MD
Beyond Banding: Managing Varices
Sanjaya K. Satapathy, MD, DM, MS
You Break It, You Fix It: Managing Endoscopic Complications
Nikhil A. Kumta, MD, MS
Update on the Periprocedural Management of Antithrombotics
Jonathan M. Buscaglia, MD
Panel Discussion and Q & A

GI Prime Time
5:30 – 6:45 pm  GI Prime Time Programs*
Choose any one of these four concurrent programs. Course Descriptions can be found on page 10
- Advances in Esophageal Motility  Wilder, 4th Floor
- Managing the Difficult Polyp  Westside Ballroom 1&2
- Improving Adenoma Detection Rates  Empire Complex, 7th Floor
- Workup of Refractory GERD  Cantor-Jolson, 9th Floor

Poster Session
5:30 – 6:45 pm  GI Fellows Poster Session
Directed by Aasma Shaukat, MD, MPH and Parvathi A. Myer, MD

*Not accredited for Continuing Medical Education

Break
3:45 – 4:15 pm  Break - Served in the Exhibit Hall

Live Endoscopy Case Presentations Session 2
4:15 – 5:00 pm  David A. Greenwald, MD and Gregory B. Haber, MD
Panel Discussion
Jonathan M. Buscaglia, MD; Nikhil A. Kumta, MD, MS; Patrick I. Okolo III, MD, MPH; Amrita Sethi, MD, MSc; Julie Yang, MD

Reception
5:00 – 5:30 pm  Grab ‘n Go Reception
Grab a beverage and a snack on your way to a GI Prime Time program, the GI Fellows Poster Session, or just on your way home. All Attendees and Exhibitors Are Welcome
6:30 – 7:30 am  
Registration  
Elevator Lobby, 5th Floor
Continental Breakfast – Served in the Exhibit Hall  
Westside Ballroom 3&4

Session 5: Pancreaticobiliary  
7:30 – 8:30 am  
Franklin E. Kasmin, MD, Moderator  
Palliation of Malignant Biliary Obstruction  
Sammy Ho, MD  
Not Alcohol? Not Gallstones? Pancreatitis NOS  
Christopher J. DiMaio, MD  
Endoscopic Ablation of Pancreatic Lesions  
Tamas A. Gonda, MD

Session 6: Metabolic Gastroenterology  
10:15 – 11:00 am  
Reem Z. Sharaiha, MD, MSc, Moderator  
The Skinny on Nonalcoholic Fatty Liver Disease  
Sonal Kumar, MD, MPH  
Metabolic Endoscopy: Beyond Weight Loss  
Violeta B. Popov, MD, PhD  
Case Presentation  
Amreen Dinani, MD  
Panel Discussion and Q & A

Live Endoscopy Case Presentations Session 4  
11:00 – 12:00 pm  
David A. Greenwald, MD and Gregory B. Haber, MD  
Panel Discussion  
David L. Carr-Locke, MD; Jonathan Cohen, MD;  
Srihari Mahadev, MD, MS; Satish Nagula, MD;  
Nancy S. Schlossberg, RN, CGRN;  
Reem Z. Sharaiha, MD, MSc  
12:00 – 12:10 pm  
Stretch Break

Lunch Break  
12:10 – 1:00 pm  
Lunch Program*  
1 - When Is IBS More than “Just” IBS?  
Westside Ballroom 3&4  
Susan L. Lucak, MD and Daksesh Patel, DO  
2 - Improving ESD in the USA: New Tools and Techniques  
Cantor-Jolson, 9th Floor  
Amrita Sethi, MD, MSc

Break  
9:30 – 10:00 am  
Break - Served in the Exhibit Hall

David B. Falkenstein, MD Lecture  
10:00 – 10:15 am  
Introduction by Ira M. Jacobson, MD  
Endoscopic Frontiers in Hepatology  
Reem Z. Sharaiha, MD, MSc

ASGE President’s Lecture  
1:30 – 1:45 pm  
Introduction by David L. Carr-Locke, MD  
Top Ten Tips for Colonoscopy  
Douglas K. Rex, MD
45th Annual New York Course
Endoscopy 2021: *Back to the Future*

FRIDAY, DECEMBER 17, 2021

**Live Endoscopy Case Presentations Session 5**
1:45 – 2:45 pm  David A. Greenwald, MD and Gregory B. Haber, MD

*Panel Discussion*
Sherif Andrawes, MD; Petros C. Benias, MD; Lauren G. Khanna, MD, MS; Nikhil A. Kurtsa, MD, MS; Douglas K. Rex, MD

**Session 7: Luminal Inflammatory Conditions**
2:45 – 3:30 pm  Arun Swaminath, MD, Moderator

*Management of Luminal Strictures*
David P. Hudesman, MD

*Detection and Management of Dysplasia in IBD*
Maia Kayal, MD

*What’s New in Celiac Disease?*
Peter H. R. Green, MD

*Panel Discussion and Q & A*

**Break**
3:30 – 4:00 pm  Break – Served in the Exhibit Hall

**Sidney J. Winawer, MD Lecture**
4:00 – 4:15 pm  Introduction by Brian P. Bosworth, MD

*Eosinophilic Esophagitis*
Mirna Chehade, MD, MPH

**Peter D. Stevens, MD Endoscopic Video Forum**
4:15 – 5:00 pm  Anthony A. Starpoli, MD and Julie Yang, MD, Moderators

*Endosonographic-Guided Gastrojejunostomy for Management of Annular Pancreas*
Sara Wellsisky, MD

*Management of Refractory GI Tract Fistulas: Endoscopic Management May Be Possible*
Yoshua K. Quinones, MD

*Endoscopic Management of a Perforated Gallbladder*
Anam Rizvi, MD

*SEMS and Sensibility: Techniques for Stenting in Benign Colonic Obstruction*
Enad Dawod, MD

*Endoscopic Submucosal Dissection for a Large Ampullary Adenoma: A Novel Approach*
Joshua Foromera, MD

*Panel Discussion*

**Thank You for Attending!**
5:00 pm  45th Annual New York Course Directors:

THURSDAY, DECEMBER 16, 2021

6:30 – 7:30 am  Registration
                Continental Breakfast – Served in the Exhibit Hall
                Elevator Lobby, 5th Floor
                Westside Ballroom 3&4

Welcome
7:30 – 7:45 am  Course Directors: Barbara Zuccala, MSN, RN, CGRN
                 Marquis Ballroom, 9th Floor
                 Nancy S. Schlossberg, BSN, RN, CGRN, CER

Morning Agenda
7:45 – 8:30 am  Ethics in Endoscopy
                 Nancy Chobin, RN, AAS, ACSP, CSPM, CFER
                 Moderator: Nancy S. Schlossberg, BSN, RN, CGRN, CER

8:30 – 9:15 am  Management of Common Complications
                 in General GI Practice
                 Lionel D’Souza, MD
                 Moderator: Doreen Cockey, BSN, RN, CGRN

9:15 – 10:00 am Conventional and Alternate Therapies for Functional
                 GI Disorders
                 Michelle Cohen, MD
                 Moderator: MaryJo Miller, RN, BSN, CGRN

Break
10:00 – 10:30 am Break - Served in the Exhibit Hall

10:30 – 11:15 am Management of Clostridioides difficile
                 Olga Aroniadis, MD, MS
                 Moderator: Teresa Soldiviero, BSN, RN, CGRN

11:15 – 12:00 pm Update on the Endoscopic Management of Reflux
                 Michael E. Herman, MD
                 Moderator: Barbara Zuccala, MSN, RN, CGRN

12:00 – 12:10 pm  Stretch Break

Lunch Break
12:10 – 1:00 pm  Lunch Program
                 Decreasing Human Error in Endoscope Processing
                 Cheri Ackert-Burr, PhD, RN, MSN, CNS, CNOR, AGTS

1:00 – 1:30 pm  Break – Visit the Exhibits

Afternoon Agenda
1:30 – 2:30 pm  Live Endoscopy Case Presentations Session 1
                 Facilitated by Vineet Rolston, MD
                 Moderator: Teresa Soldiviero, BSN, RN, CGRN

2:30 – 3:15 pm  Rising Incidence of Colorectal Cancer: Patterns,
                 Trends and What to Do?
                 Sheila Rustgi, MD
                 Moderator: MaryJo Miller, RN, BSN, CGRN

3:15 – 3:45 pm  H. Pylori, Intestinal Metaplasia and Gastric Cancer
                 Monika Laszkowska, MD
                 Moderator: Alma Estrera-Yorke, MSN, MHA, CGRN, CFER

Break
3:45 – 4:15 pm  Break - Served in the Exhibit Hall

End of Nursing-Specific Sessions
4:15 – 5:00 pm  Join the Physicians Program for:
                 Live Endoscopy Case Presentations Session 2

Westside Ballroom 1&2
FRIDAY, DECEMBER 17, 2021

6:30 – 7:30 am Registration

Continental Breakfast – Served in the Exhibit Hall

Program 1
Advances in Esophageal Motility
Thursday, December 16, 2021 • 5:30 pm – 6:45 pm

Course Description
This course will review recent advances in the diagnosis of esophageal motility disorders, including utilization of high-resolution manometry and the functional lumen imaging probe (FLIP) for upper endoscopy. Both diagnostic options can be important in the evaluation of patients with dysphagia and other symptoms suggestive of an esophageal motility disorder. This program will discuss how to apply these technologies to patient care.

Learning Objectives
- Using the recently updated Chicago Classification version 4.0 and clinical case applications, review interpretation of esophageal high-resolution manometry tests for esophageal motility disorders
- Describe and demonstrate functional lumen imaging probe (FLIP) planimetry interpretation of esophageal motility disorders

Agenda
5:30 pm Welcome and Introductions
Abraham Khan, MD
5:30 – 5:50 pm Chicago Classification Version 4.0: Advances in Esophageal High-Resolution Manometry
Daniela Jodorkovsky, MD
5:50 – 6:10 pm FLIP Panometry on Upper Endoscopy: Updates and Applications
Abraham Khan, MD
6:10 – 6:25 pm Case Presentations and Panel Discussion
Matthew Whitson, MD, MSEd
6:25 – 6:45 pm Audience Q & A / Engage with Sponsors

Non-Accredited Program
This program is not accredited for Continuing Medical Education (CME) credit.

Sponsorship Support
Medtronic

Program 2
Managing the Difficult Polyp
Thursday, December 16, 2021 • 5:30 pm – 6:45 pm

Course Description
This course will help participants improve their ability to effectively treat difficult colon polyps, and to recognize trends and advances in devices and techniques for managing them.

Learning Objectives
- Discuss the management of difficult colon polyps
- Describe the use of new devices and techniques for managing difficult polyps

Agenda
5:30 pm Welcome and Introductions
Nikhil A. Kumta, MD, MS
5:30 – 5:50 pm How I Approach Difficult Colon Polyps: Tips, Tricks, and Lessons from 50 Years of Experience
Jerome D. Waye, MD
5:50 – 6:10 pm Novel Devices and Techniques for Difficult Polyps
Amrita Sethi, MD, MSc
6:10 – 6:25 pm Case Presentation and Panel Discussion
Sherif Andrawes, MD
6:25 – 6:45 pm Audience Q & A

Non-Accredited Program
This program is not accredited for Continuing Medical Education (CME) credit.

Program 3
Improving Adenoma Detection Rates
Thursday, December 16, 2021 • 5:30 pm – 6:45 pm

Course Description
Adenoma detection rate (ADR) is a key quality measure for colonoscopy. This program will discuss key colonoscopy quality metrics that are linked to ADR. It will also present new technologies for improving adenoma detection rates such as optical, mechanical, and artificial intelligence enhancements.

Learning Objectives
- Review colonoscopy quality measures related to adenoma detection rates
- Discuss the use and impact of new technologies on improving adenoma detection rates

Agenda
5:30 pm Welcome and Introductions
Seth A. Gross, MD
5:30 – 5:50 pm Reporting Adenoma Detection Rates and Educational Interventions
Aasma Shaukat, MD, MPH
5:50 – 6:10 pm Improving your Adenoma Detection Rate: Technique and Educational Interventions
Parvathi A. Myer, MD
6:10 – 6:25 pm New Technology to Improve Your Adenoma Detection Rate
Seth A. Gross, MD
6:25 – 6:45 pm Audience Q & A / Engage with Sponsors

Non-Accredited Program
This program is not accredited for Continuing Medical Education (CME) credit.

Sponsorship Support
FUJIFILM Healthcare Americas Corporation

Program 4
Workup of Refractory GERD
Thursday, December 16, 2021 • 5:30 pm – 6:45 pm

Course Description
Substantial numbers of patients with reflux symptomatology do not achieve satisfactory symptomatic improvement with traditional antisecretory therapy. This course will address a best practice approach to the evaluation and management of this complex and challenging patient population. The most recent evidence-based guidelines and clinical practice updates will be addressed.

Learning Objectives
- Devise a practical approach to the workup of refractory GERD based upon most recently published guidelines
- Evaluate the role of endoscopic and surgical management of refractory GERD

Agenda
5:30 pm Welcome and Introductions
Felice Schnoll-Sussman, MD
5:30 – 5:50 pm Optimizing the Use of Diagnostic Tests in the Workup of Patients with Refractory GERD
Felice Schnoll-Sussman, MD
5:50 – 6:10 pm Personalizing the Choice of Treatment for Refractory GERD
Philip O. Katz, MD
6:10 – 6:25 pm Case Presentation and Panel Discussion
Amir Soumekh, MD
6:25 – 6:45 pm Audience Q & A / Engage with Sponsors

Non-Accredited Program
This program is not accredited for Continuing Medical Education (CME) credit.

EndoGastric Solutions
Annual New York GI Fellows Endoscopy Course

WEDNESDAY, DECEMBER 15, 2021 • 12:45 PM – 7:00 PM
Marquis Ballroom, 9th Floor

Course Directors
Sherif Andrawes, MD and Lauren G. Khanna, MD, MS

Faculty
Iman Andalib, MD; Lionel D’Souza, MD; Kaveh Hajifathalian, MD; Nick Hoerter, MD; Nikhil A. Kumta, MD, MS; Gloria Lan, MD; Amar Manvar, MD; Kara Raphael, MD; Kartik Sampath, MD; Sam Serouya, MD; Amy Tyberg, MD; Ashley Vareedayah, MD; Kavel H. Visrodia, MD; Jessica Widmer, DO

Intended Audience
First through Fourth-Year Fellows in Gastroenterology

Course Description
This course is designed to increase knowledge, competence, and performance of advanced therapeutic endoscopy techniques among gastroenterology trainees. Information will be delivered through lectures, audience question and answers, and video presentation of procedural techniques. Best practices across a broad spectrum of therapeutic endoscopy will be presented by a faculty of experienced interventional endoscopists.

Learning Objectives
• Discuss the indications and techniques for the assessment and management of luminal strictures
• Review the diagnostic techniques, management options, and complications associated with treatment of Barrett’s esophagus
• Review techniques for managing luminal leaks, full-thickness closure after resection, and closure of fistulas and perforations by endoscopic suturing and closure devices
• Review the endoscopic approach to management of GERD
• Review best practices for ERCP
• Discuss the latest approach to endoscopic resection, including EMR, ESD, and FTRD
• Demonstrate various endoscopic treatment options for achalasia and gastroparesis
• Review endoscopic management of obesity
• Review techniques for EUS-guided tissue acquisition
• Review interventional EUS techniques including fluid collection drainage and relief of biliary obstruction

Agenda
12:45 pm Welcome and Introductions Sherif Andrawes, MD and Lauren G. Khanna, MD, MS

1:00 – 2:20 pm
Day-to-Day Best Practices
Luminal Strictures: Dilate, Stent, or Cut
Gloria Lan, MD

Everything Barrett’s: Detection, Ablation, Resection, Freezing
Kavel H. Visrodia, MD

Endoscopic Suturing and Closure Devices
Kartik Sampath, MD

Wrap it Up! Fundoplication and Endoscopic Management of GERD
Amy Tyberg, MD

2:20 – 3:00 pm Endoscopic Retrograde Cholangiopancreatography (ERCP)
Cannulation and Sphincterotomy
Jessica Widmer, DO

Management of Large Stones of the Common Bile Duct
Amar B. Manvar, MD

3:00 – 3:30 pm Break, Exhibits and Demonstrations

3:30 – 3:40 pm Welcome Back Sherif Andrawes, MD and Lauren G. Khanna, MD, MS

3:40 – 5:00 pm Endoscopic Surgery
Endoscopic Mucosal Resection (EMR)
Nicholas Hoerter, MD

From ESD to FTRD for Removal of Pre-Malignant Lesions
Ashley A. Vareedayah, MD

Achalasia and Gastroparesis: Introduction to POEM and G-POEM
Lionel D’Souza, MD

Endoscopic Management of Obesity
Kaveh Hajifathalian, MD

5:00 – 6:00 pm Endoscopic Ultrasound (EUS)
Updates in Best Practices for EUS
Kara Raphael, MD

EUS Management of Fluid Collections
Iman Andalib, MD

Call IR or Do It Myself? The Role of Interventional EUS in Biliary Obstruction
Sam Serouya, MD

6:00 – 6:20 pm Deciding on a Career in Interventional Endoscopy
Nikhil A. Kumta, MD, MS

6:20 – 7:00 pm Networking Reception

CONFLICT OF INTEREST STATEMENT

The “Policy on Identification, Mitigation and Disclosure of Relevant Financial Relationships” of Albert Einstein College of Medicine-Montefiore Medical Center requires that faculty participating in any CME/CE activity disclose to the audience any relevant relationships with an ineligible company or companies.* Any presenter whose disclosed relationships prove to create a conflict of interest, with regard to his or her contribution to the activity, will not be permitted to present.

Albert Einstein College of Medicine-Montefiore Medical Center also requires that faculty participating in any CME/CE activity disclose to the audience when discussing any unlabeled or investigational use of any commercial product or device, not yet approved in the United States.

* The ACCME defines an ineligible company as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Please find below the compiled information we have received on disclosure of relevant financial relationships from activity faculty and planners within the past 24 months.
