

**New York Marriott Marquis Hotel
December 13-14, 2018**

NYSGE is pleased to announce our partnership with Bartizan Connects, the industry supplier of the popular lead retrieval app, **iLeads**.

iLeads can help you collect, segment and follow-up with your prospects easily and efficiently. No wi-fi is needed and you can capture valuable lead data anytime, anywhere using your own phone or tablet.

Exhibitors like using the iLeads lead retrieval app because they can customize follow-up actions and survey questions, add voice or text notes, and instantly access their leads data for expedient follow-up.
