SPEAKERS

COURSE DIRECTORS

Seth A. Gross, MD

Associate Professor of Medicine
Director, Clinical Care and Quality
Division of Gastroenterology and Hepatology
NYU Langone Health

Gregory B. Haber, MD

Professor of Medicine
Chief, Endoscopy
Director, Advanced Therapeutics and Innovation
Division of Gastroenterology and Hepatology
NYU Langone Health

Elliot Newman, MD

Professor of Surgery
Chief, Gastrointestinal Surgical Oncology
NYU Langone Health

Pareesh C. Shah, MD

Clinical Professor of Surgery
Vice Chair of Quality and Innovation in Surgery
Chief, Division of General Surgery
NYU Langone Health

Diane M. Simeone, MD

Laura and Isaac Perlmutter Professor of Surgery
Director, Pancreatic Cancer Center
Associate Director, Translational Research
Perlmutter Cancer Center
NYU Langone Health

NYU LANGONE HEALTH SPEAKERS

Adam J. Goodman, MD

Associate Professor of Medicine
Section Chief of Gastroenterology
Director of Quality, Department of Medicine
NYU Langone Hospital-Brooklyn

Cristina H. Hajdu, MD

Clinical Associate Professor of Pathology

Eileen M. Janec, MD

Clinical Associate Professor of Medicine

Lauren G. Khanna, MD

Assistant Professor of Medicine

Alec J. Megibow, MD, MPH

Professor of Radiology and Surgery
Director, FPO Outpatient Imaging Services

Justin Ream, MD

Assistant Professor of Radiology
Director, Gastrointestinal Imaging
Department of Radiology

GUEST SPEAKERS

William R. Brugge, MD

Professor of Medicine
Harvard Medical School
Chief, Division of Gastroenterology
Mount Auburn Hospital
Boston, MA

Marcia Irene Canto, MD, MHS

Professor of Medicine and Oncology
Director of Clinical Research, Division of Gastroenterology
Johns Hopkins School of Medicine
Baltimore, MD

Tamas A. Gonda, MD

Assistant Professor of Medicine
Director of Pancreatobiliary Services
Division of Digestive and Liver Diseases
Columbia University
New York, NY

Ralph H. Hruban, MD

Professor of Pathology and Oncology
Director, Sol Goldman Pancreatic Cancer Research Center
Director, Department of Pathology
Johns Hopkins School of Medicine
Baltimore, MD

James M. Scheiman, MD

David Stone Professor
Chief, Division of Gastroenterology and Hepatology
University of Virginia
Charlottesville, VA

Carlie Sigel, MD

Assistant Attending
Department of Pathology
Memorial Sloan-Kettering Cancer Center
New York, NY

Tae Jun Song, MD, PhD

Associate Professor of Medicine
Division of Gastroenterology
Asan Medical Center
University of Ulsan College of Medicine
Seoul, South Korea

Big Gut Seminars: Everything You Ever Wanted to Know About the Management of Pancreatic Cysts

COURSE DESCRIPTION

Pancreatic cysts present a challenge to clinicians and researchers alike, given the very nature of the anatomy and location of the pancreas, differing cyst types and natural histories, and the various clinical guidelines that have been issued. "Big Gut Seminars: Everything You Ever Wanted To Know About the Management of Pancreatic Cysts" is a one-day CME and MOC-accredited course, focused on the natural history, pathology, classifications, diagnostic modalities, and endoscopic, surgical, and other treatment options related to pancreatic cysts. This conference will feature a multidisciplinary faculty of national and international leaders and an interactive format including rapid didactic presentations; areas of debate or controversy; examination and comparison of the various clinical guidelines; and panel discussion of challenging, complex patient cases.

EDUCATIONAL OBJECTIVES

After participating in this activity, clinicians should be able to:

- Identify current guidelines and considerations and potential clinical applications for the management of pancreatic cysts
- Identify current and emerging technologies that may enhance the accuracy of tissue classification for different cyst types
- Identify appropriate ways to apply to their practice new and evolving endoscopic and surgical approaches, technologies, and techniques for patients with pancreatic cysts
- Identify factors and considerations in the multidisciplinary management of pancreatic cysts, from the gastroenterology and surgical perspectives

TARGET AUDIENCE

Gastroenterologists, endoscopists, surgeons, interventional radiologists, radiologists, pathologists, fellows, and other disciplines involved in the research or management of pancreatic cysts

LOCATION

NYU Langone Health
Smilow Seminar Room
550 First Avenue
New York, NY 10016

REGISTRATION

nyulmc.org/pancreascme

After 12 pm on September 26, 2018, only onsite registration is available, provided the course has not reached capacity. Onsite registrants will incur an additional \$20 charge. Registration is non-transferable.

ELECTRONIC SYLLABUS

Course syllabus will only be distributed electronically. A link will be sent the week of the course where you can view, download, or print course information and presentations in advance. This link will also allow you to view the course syllabus on your smartphone, tablet, or laptop during the course. Course presentations remain available for one year after the course.

REFUND POLICY

Submit your request for a refund of course fees of more than \$75 no later than 7 days before the course start date. No refunds will be issued for cancellations or no-shows after that time. To request a refund, email cme@nyumc.org. A \$75 administrative fee will be deducted.

COURSE CANCELLATION POLICY

If a course is cancelled due to inclement weather, insufficient enrollment, or any other reason, NYU SOM will refund registration fees in full. NYU SOM will provide at least two weeks' advance notice if cancelling due to insufficient enrollment and as soon as possible in all other circumstances. NYU SOM is not responsible for any airfare, hotel, or other non-cancellable costs incurred by the registrant.

COURSE FEES

	Regular	NYU Langone Health
Physicians —Early Registration (Ends 8/28/2018 at 11:59 pm EST)	\$150	
Physicians	\$175	\$100
Nursing and Allied Health Professionals	\$100	\$50
Residents and Fellows*	\$50	Waived

* Proof of status required

Please note: This course is eligible for NYU School of Medicine Alumni discount.

AGENDA | Friday, September 28, 2018

8:00 am Registration and Continental Breakfast

8:30 Welcome

Seth A. Gross, MD
Gregory B. Haber, MD
Elliot Newman, MD
Paresh C. Shah, MD
Diane M. Simeone, MD

9:20 Biomolecular Markers to Characterize Cyst Types and Malignant Potential

Tamas A. Gonda, MD

9:35 Question and Answer

9:50 Coffee Break

Natural History, Pathology, and Classification of Cystic Tumors

Moderators: Cristina H. Hajdu, MD;
Diane M. Simeone, MD

8:35 Prevalence of Pancreatic Cysts and Progression to Adenocarcinoma

Elliot Newman, MD

8:50 Histology of Major Pancreatic Cyst Types: Implications for Clinical Care

Ralph H. Hruban, MD

9:05 Cytologic Features of Benign and Malignant Cystic Lesions: How To Get the Most Out of Your Cytology Specimen

Carlie Sigel, MD

Diagnostic Modalities

Moderators: Adam J. Goodman, MD;
Eileen M. Janec, MD

10:10 CT Imaging: Features and Differential Diagnosis

Alec J. Megibow, MD, MPH

10:25 MRI Imaging: Features and Differential Diagnosis

Justin Ream, MD

10:40 EUS Characterization with Contrast and Elastography

Gregory B. Haber, MD

10:55 Endoscopic Diagnosis of Pancreatic Cysts: Beyond ERCP and EUS

Tae Jun Song, MD, PhD

11:10 How To Do It: Practical Tips for FNA and FNB

Lauren G. Khanna, MD

11:25 Question and Answer

CME ACCREDITATION STATEMENT

The NYU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The NYU School of Medicine designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MAINTENANCE OF CERTIFICATION

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

PROVIDED BY

NYU School of Medicine

11:45 Lunch

Approaches to Treatment

Moderators: Elliot Newman, MD;
Paresh C. Shah, MD

**12:45 pm Resection of Discrete
Non-IPMN Lesions**
Elliot Newman, MD

**1:00 Parenchyma-Preserving
Pancreatic Resection**
Paresh C. Shah, MD

**1:15 Strategy for Main Duct IPMN and
Role of Total Pancreatectomy**
Diane M. Simeone, MD

**1:30 Point-CounterPoint
When Is Endoscopic
Ablation Indicated:
The Role of Chemoablation
and Chemotherapy**
Tae Jun Song, MD, PhD

**1:45 Endoscopic Ablation
Is Not Indicated Today**
William R. Brugge, MD

2:00 Question and Answer

2:20 Coffee Break

Guidelines for Pancreatic Cyst Management

Moderator: Seth A. Gross, MD

**2:40 International Association
of Pancreatology-Fukuoka
Guidelines**
Marcia Irene Canto, MD, MHS

**2:50 American/European Guidelines:
How They Are Different and Why**
James M. Scheiman, MD

**3:00 American College of
Radiology Guidelines**
Alec J. Megibow, MD, MPH

**3:10 Guidance for Following
the Guidelines: The
Take-Home Message for
the Practicing Physician**
Marcia Irene Canto, MD, MHS; Alec J.
Megibow, MD, MPH; James M.
Scheiman, MD

3:20 Question and Answer

Complex Case Discussions

Moderators: Gregory B. Haber, MD;
Paresh C. Shah, MD

**3:30 Panel Case Presentations
and Discussion**
Surgeons: Elliot Newman, MD;
Diane M. Simeone, MD
Endoscopists: William R. Brugge, MD;
Marcia Irene Canto, MD, MHS; Tae Jun
Song, MD, PhD; James M. Scheiman, MD
Radiologist: Alec J. Megibow, MD, MPH

4:30 pm Adjourn
