SPEAKERS

COURSE DIRECTORS

Costas Bizekis, MD

Clinical Associate Professor of Cardiothoracic Surgery
Director of Esophageal Surgery
Department of Cardiothoracic Surgery
NYU Langone Health
Director, General Thoracic Surgery
Bellevue Hospital Center

Tanuja Damani, MD

Assistant Professor of Surgery
Surgical Director, Center for Esophageal and Foregut Health
NYU Langone Health

Seth A. Gross, MD

Associate Professor of Medicine
Director, Clinical Care and Quality
Division of Gastroenterology and Hepatology
NYU Langone Health

Abraham R. Khan, MD

Assistant Professor of Medicine
Medical Director, Center for Esophageal and Foregut Health
NYU Langone Health

NYU LANGONE HEALTH SPEAKERS

George A. Fielding, MD

J. Ira and Nicki Harris Family Professor
of Surgery and Bariatric Medicine
Department of Surgery

Gregory B. Haber, MD

Professor of Medicine
Chief, Endoscopy
Director, Advanced Therapeutics and Innovation
Division of Gastroenterology & Hepatology

Lauren G. Khanna, MD, MS

Assistant Professor of Medicine
Director, Advanced Endoscopy Fellowship Program
Division of Gastroenterology & Hepatology

Rita M. Knotts, MD

Assistant Professor of Medicine
Division of Gastroenterology & Hepatology

Alec J. Megibow, MD, MPH

Professor of Radiology and Surgery
Director, FPO Outpatient Imaging Services
Department of Radiology

Paresh C. Shah, MD

Clinical Professor of Surgery
Surgeon-in-Chief, NYU Langone Health
Vice Chair of Quality and Innovation in Surgery
Chief, Division of General Surgery

GUEST SPEAKERS

John C. Lipham, MD

Professor of Surgery
Chief, Division of Upper GI and General Surgery
James & Pamela Muzzy Endowed Chair in Upper GI Cancer
Keck Medical Center of USC
University of Southern California
Los Angeles, CA

John Erik Pandolfino, MD, MSCI

Hans Popper Professor of Medicine
Division Chief, Gastroenterology and Hepatology
Northwestern Medicine
Northwestern University
Chicago, IL

Big Gut Seminars: Focus on Complex Esophageal Disease

COURSE DESCRIPTION

Significant advancements have been made in the field of complex esophageal disease. This CME- and MOC-accredited course is focused on the pathogenesis, diagnosis, and evidence-based treatment of individuals having benign or pre-malignant, complex esophageal disease. Featuring a multidisciplinary faculty of national leaders and an interactive format, the program includes a round of short didactic presentations focused on novel treatment options; discussion of emerging issues in clinical care; and multidisciplinary panel discussion of challenging, complex patient cases. Topics will include gastroesophageal reflux disease (GERD), Barrett's esophagus, achalasia and other esophageal motility disorders, eosinophilic esophagitis, and functional disease of the upper gastrointestinal tract.

EDUCATIONAL OBJECTIVES

After participating in this activity, clinicians should be able to:

- Identify the appropriate diagnostic testing—such as high-resolution manometry, functional lumen imaging probe (FLIP), pH testing, pH-impedance testing, endoscopy, and biopsy—used to apply in clinical practice to assess patients with various esophageal symptoms and disease
- Interpret the results of diagnostic testing in order to guide and select appropriate treatment options for esophageal symptoms and disease
- Identify the evidence, current options, and appropriate indications for the endoscopic and surgical treatment of esophageal disease

TARGET AUDIENCE

Gastroenterologists, surgeons, radiologists, pathologists, gastroenterology fellows, surgical residents and fellows, primary care physicians, and other health professionals involved in the diagnosis and treatment of individuals with esophageal disease

LOCATION

NYU Langone Health
550 First Avenue
Smilow Seminar Room
New York, NY 10016

REGISTRATION

nyulmc.org/esophagealcme

After 12 pm on September 25, 2019, only onsite registration is available, provided the course has not reached capacity. Onsite registrants will incur an additional \$20 charge. Registration is non-transferable.

ELECTRONIC SYLLABUS

Course syllabus will only be distributed electronically. A link will be sent the week of the course where you can view, download, or print course information and presentations in advance. This link will also allow you to view the course syllabus on your smartphone, tablet, or laptop during the course. Course presentations remain available for 1 year after the course.

REFUND POLICY

Submit your request for a refund of course fees more than \$75 no later than 7 days before the course start date. No refunds will be issued for cancellations or no-shows after that time. To request a refund, email cme@nyulangone.org. A \$75 administrative fee will be deducted.

COURSE CANCELLATION POLICY

If a course is cancelled due to inclement weather, insufficient enrollment, or any other reason, NYU SOM will refund registration fees in full. NYU SOM will provide at least 2 weeks' advance notice if cancelling due to insufficient enrollment and as soon as possible in all other circumstances. NYU SOM is not responsible for any airfare, hotel, or other non-cancellable costs incurred by the registrant.

COURSE FEES

	Regular	NYU Langone Health
Physicians	\$100	\$50
Nursing and Allied Health Professionals	\$50	\$25
Residents and Fellows*	\$25	Waived

* Proof of status required

Please note: This course is eligible for NYU School of Medicine Alumni discount.

AGENDA | Friday, September 27, 2019

7:30 am Registration and Continental Breakfast

8:00 Welcome
Costas Bizekis, MD
Tanuja Damani, MD
Seth A. Gross, MD
Abraham R. Khan, MD

Keynote Lecture—Medicine

8:10 Personalized Approach to Esophageal Symptoms
John E. Pandolfino, MD, MSCI

8:40 Question and Answer

Emerging Clinical Issues in Gastroesophageal Reflux Disease (GERD)

Moderator: Tanuja Damani, MD

8:50 Diagnostic Tools to Stratify and Treat the Patient with GERD
Abraham R. Khan, MD

9:10 Appropriate Medical Management for GERD
Rita M. Knotts, MD

9:30 Endoscopic Management of GERD
Seth A. Gross, MD

9:50 Question and Answer

10:00 Coffee Break

Keynote Lecture—Surgery

10:20 Surgical Options for GERD: When, Why, and How
John C. Lipham, MD

10:50 Question and Answer

Esophageal Surgery: Clinical Scenarios

Moderator: Costas Bizekis, MD

11:00 Management of Post Anti-Reflux Surgery Complications
Paresh C. Shah, MD

11:20 Paraesophageal Hernia: It's Not Just about GERD
Tanuja Damani, MD

11:40 Question and Answer

Complex Case Discussions: GERD

11:50 Panel Presentation and Discussion
Moderators: Costas Bizekis, MD; Abraham R. Khan, MD
Panelists: Tanuja Damani, MD; George A. Fielding, MD; Seth A. Gross, MD; John C. Lipham, MD; Alec J. Megibow, MD, MPH; John E. Pandolfino, MD, MSCI

12:30 pm Lunch

Agenda continued on next page

CME ACCREDITATION STATEMENT

The NYU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The NYU School of Medicine designates this live activity for a maximum of 7 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MAINTENANCE OF CERTIFICATION

 Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

PROVIDED BY

NYU School of Medicine

What's New: Rapid-Fire Updates

Moderator: Seth A. Gross, MD

1:30 **Barrett's Esophagus: What's New in Diagnosis and Treatment**

Seth A. Gross, MD

1:40 **Endoscopic Submucosal Dissection for Dysplasia and Early Cancer**

Gregory B. Haber, MD

1:50 **Eosinophilic Esophagitis: Personalized Therapy in 2019**

Rita M. Knotts, MD

2:00 **Refractory Esophageal Stricture: Treatment Options**

Lauren G. Khanna, MD, MS

2:10 **Negative Esophageal Testing for the Symptomatic Patient: What To Do?**

Abraham R. Khan, MD

2:20 **Question and Answer**

2:35 **Coffee Break**

Esophageal Motility Disorders

Moderator: Abraham R. Khan, MD

2:50 **EGJ Outflow Obstruction and Achalasia: The Role of Dilation**

John E. Pandolfino, MD, MSCI

3:10 **Why Heller Myotomy Is Still a First-Line Treatment for Achalasia**

Costas Bizekis, MD

3:30 **POEM for Esophageal Motility Disorders**

Gregory B. Haber, MD

3:50 **Question and Answer**

Complex Case Discussions: Esophageal Motility

4:00 **Panel Presentation and Discussion**

Moderators: Tanuja Damani, MD; Rita M. Knotts, MD

Panelists: Gregory B. Haber, MD; Abraham R. Khan, MD; John C. Lipham, MD; John E. Pandolfino, MD, MSCI; Paresh C. Shah, MD

4:45 pm **Adjourn**
