STATEMENT OF NEED
The purpose of the 1st Annual Mount Sinai Live Endoscopy Course is to provide a state-of-the-art update on new developments in diagnostic and therapeutic endoscopy in the management of a variety of gastrointestinal diseases. This course will present new and innovative techniques that they can incorporate into their clinical practice in order to optimize patient care and improve clinical outcomes. Expert faculty will review and demonstrate basic and advanced endoscopic techniques through the use of didactic lectures, video case presentations, and live endoscopy in this one-day symposium.

EDUCATIONAL OBJECTIVES
At the conclusion of this activity, participants will be able to:
• Describe the role and impact of endoscopy in the management of Barrett’s esophagus.
• Recognize the utility and efficacy of endoscopy in the diagnosis and management of intestinal tumors, pancreatic cancer, and colonic neoplasms in order to incorporate best clinical practices in patients with these conditions.
• Analyze the role of endoscopy in the primary management of obesity and identify patients who would be candidates for this intervention.
• Apply the use of third-space endoscopy in the management of various gastrointestinal diseases.
• Analyze the role and impact of advanced imaging techniques and resection techniques in the management of small intestinal and colonic diseases.

TARGET AUDIENCE
Gastroenterologists, gastrointestinal endoscopists and surgeons, GI fellows, and GI nurses and associates.

ACCREDITATION
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION
The Icahn School of Medicine at Mount Sinai designates this live educational activity for a maximum of 7.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
