DDW Presentations Workshop
Tuesday, April 6, 2021
7:00 pm – 9:00 pm

Workshop
Login information can be found in the registration confirmation email sent to those who register at www.nysge.org.

Intended Audience
Gastroenterologists and GI Trainees

Course Description
Clinical research is crucial to furthering our understanding of gastroenterology and Digestive Disease Week is the premier research conference for presenting new study findings and information. The NYSGE DDW Presentations Workshop provides presenter participants with an opportunity to practice their DDW presentations and receive real-time feedback from the workshop moderators.

Learning Objectives
- Discuss new research projects and protocols before publication
- Recognize opportunities to present ongoing research
- Debate research protocols and methods with project authors
