

Option 1 Satellite Program  
**Advanced Resection and Third Space Endoscopy**  
Wednesday, December 12, 2018  
5:45 pm – 9:00 pm

**Course Directors**

Franklin E. Kasmin, MD and Nikhil A. Kumta, MD, MS

**Faculty**

Petros C. Benias, MD; Lionel D'Souza, MD; Makoto Nishimura, MD; Amrita Sethi, MD, MSc; Stavros N. Stavropoulos, MD; Demetrios Tzimas, MD

**Intended Audience**

Gastroenterologists and GI Fellows

**Course Description**

This unique program will focus on the knowledge base and technical skills required to explore the use of the submucosa of the gastrointestinal tract as a conduit for intervention under and around mural or muscular lesions. The course will consist of several didactic lectures followed by four learning stations to give adequate time for participants to learn and practice endoscopic entrance into the GI “third space,” dissection and resection of tumors, and techniques to close the third space entry point. Experts in the field of endoscopic dissection and resection will provide one-on-one training.

**Learning Objectives**

- Identify the indications and contraindications regarding the performance of dissection of the submucosa in therapeutic endoscopy
- Perform closure techniques using sutures and clips for management of GI tract perforations
- Describe the approach to endoscopic submucosal dissection for access to the muscular wall or for dissection of mucosal tumors

**Agenda**

5:45 – 6:00 pm	<b>Registration and Refreshments</b>
6:00 – 6:10 pm	<b>Principles of Working in the Submucosa (Third Space): Techniques, Equipment, Tips, and Tricks</b> Amrita Sethi, MD, MSc
6:10 – 6:20 pm	<b>Management of Perforations and Endoscopic Closure</b> Nikhil A. Kumta, MD, MS
6:20 – 6:30 pm	<b>Emerging Technologies in Third Space Endoscopy</b> Stavros N. Stavropoulos, MD

6:30 – 9:00 pm

### **Hands-On Training**

*Rotation Through the Following Learning Stations:*

Submucosal Tunneling, Station 1 (*Stavros N. Stavropoulos, MD*)

Submucosal Tunneling, Station 2 (*Nikhil A. Kumta, MD, MS*)

Endoscopic Submucosal Dissection, Station 1 (*Makoto Nishimura, MD*)

Endoscopic Submucosal Dissection, Station 2 (*Petros C. Benias, MD*)

Endoscopic Defect Closure, Station 1 (*Franklin E. Kasmin, MD*)

Endoscopic Defect Closure, Station 2 (*Amrita Sethi, MD, MSc*)

Endoscopic Mucosal Resection, Station 1 (*Lionel D'Souza, MD*)

Endoscopic Mucosal Resection, Station 2 (*Demetrios Tzimas, MD*)

### **Accreditation Statement**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the providership of Albert Einstein College of Medicine and the New York Society for Gastrointestinal Endoscopy. Albert Einstein College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

### **Credit Designation**

Albert Einstein College of Medicine designates this live activity for a maximum of **3.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Photography Waiver**

From time-to-time, NYSGE takes photographs or video during educational courses and events and reproduces them in educational, informational or promotional materials including print, electronic or other media such as the NYSGE website. By participating in this course, you grant NYSGE the right to use your name and photograph for such purposes and all such postings become the property of NYSGE.
