WEBINAR Faculty Disclosures

CONFLICT OF INTEREST STATEMENT

The “Conflict of Interest Statement” of Albert Einstein College of Medicine-Montefiore Medical Center requires that faculty participating in any CE activity disclose to the audience any relevant relationship(s) with a commercial interest; pharmaceutical or equipment company*. Any presenter whose disclosed relationships prove to create a conflict of interest, with regard to their contribution to the activity, will not be permitted to present.

Albert Einstein College of Medicine-Montefiore Medical Center also requires that faculty participating in any CE activity disclose to the audience when discussing any unlabeled or investigational use of any commercial product, or device not yet approved for use in the United States.

* The ACCME defines a Commercial Interest as an entity producing, marketing, re-selling or distributing health care goods or services consumed by or used on, patients. The ACCME does not consider providers of clinical service directly to patients to be commercial interest

Please find below the compiled information we have received on disclosure of relevant financial relationships from activity faculty and planners.
